3.5.2 Symbols Not Included in Determining the Grade Point Average

For all institutions, the following symbols are approved for use in the cases indicated, but will not be included in the determination of the grade point average.

“I” This symbol indicates that a student was doing satisfactory work but, for non-academic reasons beyond his/her control, was unable to meet the full requirements of the course. The requirements for removal of an “I” are left to the respective institutions. However, if an “I” is not satisfactorily removed after three academic terms of residence, the symbol “I” will be changed to the grade “F” by the appropriate official.
