Policy Number: 221
Policy Title: Students’ Role in Institutional Decision Making

POLICY:
Students will participate in the college’s decision-making process.

PROCEDURE:
1. Students shall be selected to serve on the following policy councils:
   - Student Affairs Policy Council
   - Financial and Administrative Affairs Policy Council
   - Institutional Advancement Policy Council
   - Academic Affairs Policy Council
   - Information Systems and Technology Policy Council

   Selection and replacement shall be consistent with each council’s by-laws.

2. The Student Affairs Policy Council shall review student membership on the councils each year and may make recommendations to add or to delete a student representative from present or future councils.

3. College-wide or campus-based committees, including task teams and task forces, are encouraged to have student representatives. Such members may be appointed, selected, or elected for membership.

4. Students who are not members of councils or committees may make recommendations to student representatives or other members on the council or committee.
