Library Directors Changes to Library Draft

- P. 9 – The word “optional” is not being removed from the library document. Directors felt that they do not need to mandate evaluation of supervisors.

- P. 13 – Added a sentence at the top of the Profile reiterating the need to keep a portfolio.

- P. 17 – Added a page describing the librarian Promotion Portfolio. Kept P. 16 untouched, except for removal of “those teaching library instruction”.

- P. 39-40 and P. 42-45 - AAPC affirmed the conceptual changes at the last meeting.
