

Enrollment Verifications Online!

Now you can get your GPC Enrollment Verifications online!

Enrollment verifications can now be accessed through the Student Information System (SIS). Simply login like you would if you were registering for classes and get your enrollment verification in minutes.

Enrollment verifications will be available two and half weeks into each term. Ask your campus Enrollment and Registration Services office for the specific date. Your enrollment information will be updated after mid-point and at the end of each term.

This secure link to the National Student Clearinghouse (NSC) will let you:
