COMPUTER SECURITY STATEMENT
GEORGIA COMPUTER SYSTEMS PROTECTIVE ACT

A. Any person who knowingly and willfully, directly or indirectly, without authorization, accesses, causes to be accessed, or attempts to access any computer, computer systems, computer network or any part thereof which, in whole or in part, operates in commerce or is owned by, under contract to, or in conjunction with state, county, or local government or any branch, department, or agency thereof, any business, or any entity operating in or affecting commerce for the purpose of:

1. Devising or executing any scheme or artifice to defraud, or
2. Obtaining money, property, or services for themselves or another by means of false or fraudulent pretenses, representations, or promises shall,

upon conviction thereof, be fined a sum of not more than two and one-half times the amount of the fraud or theft, or imprisoned not more than 15 years, or both.

B. Any person who intentionally and without authorization, directly or indirectly accesses, alters, damages, destroys, or attempts to destroy any computer, computer systems, or computer network, or any computer software, program or data shall, upon conviction thereof, be fined not more than $50,000.00 or imprisoned not more than 15 years, or both.

I, ______________________________, the undersigned, hereby state that I am a current employee of Georgia Perimeter College and that I will follow the policies and procedures governing the use of Georgia Perimeter College or the University System of Georgia Computer Network computing resources and facilities. I agree to read and follow the Law as set forth in the GCSPA (Georgia Computer Systems Protection Ac-O.C.G.A. & 16 – 9-90. et seq). I understand that I will be assigned an authorized ID and Password on some system. I recognize this authorization as a privilege granted to me by Georgia Perimeter College and understand that I am solely responsible for the security of this user ID and Password. I will notify the Director of the Computer Centers in the event that this security may have been compromised.
