Important Notes:

- (a) These courses must be completed before application to the program.
- (b) These biology courses cannot be used in Area D for any program of study. (However, they are required courses in Area F for AS Health & Physical Education.)
- (c) Prerequisites for BIOL 1611:
 - CHEM 1151(a) and CHEM 1151L (a), each with a "C" or better, Or
 - CHEM 1211, CHEM 1211L, CHEM 1212 and CHEM 1212L, all with a "C" or better, Or
 - Satisfactory performance on an institutional placement exam (This exam does not give course credit for any chemistry course.)
- (d) BIOL 1913 and BIOL 1913L can be used for Nursing, Dental Hygiene and other Health Science programs. These courses cannot be used in Area D or Area F for any other program of study.
- (e) Prerequisites for CHEM 1152: CHEM 1151 and CHEM 1151L or CHEM 1212 and CHEM 1212L, each with a "C" or better.
- (f) Beginning summer 2012, the Core Area C elective must be a literature, humanities, or fine arts course. A foreign language course may *NOT* be used to fulfill this requirement. Students who began the program prior to summer 2012 will have until fall 2015 to complete the program under the former Area C elective.

Additional Notes:

- Students are advised that if they are accepted into Dental Hygiene, there are several semesters where the required curriculum does not contain enough hours to meet requirements for financial aid or health insurance. Plan accordingly.
- This program of study requires **special admission testing, including Criminal Background checks and Technical Standards**. Please see the Dental Hygiene website or contact the Dental Hygiene Department, Dunwoody Campus (770-274-5130), for additional information and an application. All professional courses are only offered during the day.
- **The College Preparatory Curriculum (CPC) does apply to this career program. An applicant that is admitted to the college under this program will be subject to CPC requirements.**

Total Hours 77

* or Honors equivalent
