

**Roundtable Discussion: Projects, Practicals and Other Alternatives to Standard Laboratory Experiments in General Chemistry**

**Lance S. Lund**

Anoka-Ramsey Community College, Coon Rapids, Minnesota

Following his presentation on *Inquiry-Based Final Projects in the General Chemistry Laboratory*, Lance will facilitate a discussion on activities conducted in the General Chemistry Laboratory that many would consider to be outside the realm of standard laboratory experiments. Projects? Practicals? Field trips? Job shadowing? Interviews? Others? Come prepared to share your ideas and bring along any handouts that you may wish to share with the group.
