CD Quick Start Guide

For
Digital Video Tutor
Beginning and Intermediate Algebra
Third Edition
Lial/Hornsby/McGinnis

IMPORTANT NOTE:

This product is best viewed using *Internet Explorer* (version 4.0 or higher).

Windows 98/2000/NT/XP users: RealOne Player

Windows 95 and Macintosh users: RealPlayer 8 Basic

If you are missing the RealOne Player or RealPlayer 8 Basic, you can download them directly from any of the CD's found in this set.

To view the video files:

1. Place the CD in your CD-ROM drive.
2. Launch *Internet Explorer* from your desktop or Start menu. Note: You do not need to connect to the Internet.
3. In *Internet Explorer*, select Open from the File menu.
4. Select Browse from within the dialog box.
5. From the Look in: pull down menu, choose My Computer. (Macintosh users skip to the next step.)
6. Double-click on the CD-ROM drive, which may be labeled Dvt_cd1 or CD1.
7. Double-click the Start.htm or Startwin.htm file (Start.htm or Startmac.htm for Macintosh users.)
8. From the open dialog box, click OK to begin.

If you need to download a player or confirm that you have the correct player installed, click Getting Started. If you are ready to watch the videos, go to the Table of Contents to select the video clips you would like to watch.
