Please write legibly and fully complete this form. Illegible or incomplete consent forms cannot be accepted.

**Terms and Conditions:**

I understand that all required admissions documents must be submitted directly to a GPC campus Dual Enrollment Coordinator, GPC Campus Enrollment Services office, or mailed to Georgia Perimeter College, Office of Admissions, P.O. Box 89000, Atlanta, Georgia 30336. Legible copies of some documents such as driver’s licenses, immunization records, and this consent form may also be faxed to (678) 891-3211. When received by GPC, acceptance will be noted at http://www.gpc.edu/mystatus. I understand that GPC cannot be held responsible for documents submitted to any other person or organization.

I understand that applications and admissions documents are due to GPC on July 1 for Fall semester, November 1 for Spring semester, and April 1 for Summer semester. GPC will make every effort to accommodate applications or documents received after the due dates, but cannot guarantee admission for timely registration for that semester.

I understand that until ALL required admissions documents must have been received by GPC, and that admission is confirmed on http://www.gpc.edu/mystatus, before my child will be able to register for and attend any GPC class, including GPC classes held at high school locations.

I understand that dual enrollment is a program that allows a high school student early access to the collegiate experience, which may be very different from the high school environment. Georgia Perimeter College will consider my child as an adult college student, and all rules, regulations, policies and procedures of Georgia Perimeter College and the University System of Georgia will apply to my child, exactly as they would apply to any other student of Georgia Perimeter College.

I understand that my child, while registered as a dual enrollment student at Georgia Perimeter College, will be treated as the OWNER of his/her educational records, and that Georgia Perimeter College will act as the CUSTODIAN of those records. Under the terms of the Family Educational Records and Privacy Act (FERPA), I will not have access to those records, nor be able to receive any protected information regarding those records from Georgia Perimeter College without the expressed written consent of my child for the release of only that information requested in each individual written consent. I understand that Georgia Perimeter College does not provide blanket waivers of consent. More information regarding FERPA may be found at www.gpc.edu/~gpcem/ferpa.htm.

I understand that once admitted, all official communication from or to the student regarding official college matters will take place in writing with the student directly. Email communication will be conducted via the student’s official GPC email account. Georgia Perimeter College will not respond to email communications received from other email accounts, other than to refer the inquiry via the GPC email account.
